January 30 (F) NO SCHOOL ~ Grading Day
February 2 (M) NO SCHOOL ~ Planning Day
February 6 (F) All School Trip to Skate World

NOTES FROM SUSAN

Welcome back! I hope you all had a restful, albeit extended, winter break with your children. We now have our Peace Festival scheduled for the evening of January 29th at Calvary Fellowship Hall located at 4060 W. Amazon Drive. Vic and Darcy are both back this year directing the choir and it feels wonderful to see them walking down our halls again. Vic's wife, Karen, is home after weeks of therapy and making amazing strides in her recovery. We are all so grateful for her progress.

Our skating field trip has been scheduled for Friday afternoon, February 6th, during project time. The schedule will be the same as before but we will send permission slips out again to be sure we have correct numbers for the buses. After 2 canceled trips, we felt we just had to make this one up for our kids.

I'd like to hold a fundraising meeting in my room for any interested parents next Monday, January 12th right after school. (Children are welcome to stay and play). There are a number of decisions to be made and we need your input. We usually do a direct drive campaign but we are open to other fun ideas to generate income for the extra staff we've hired this year for projects. If Monday isn't good, just drop me a line (gusinow@4j.lane.edu) and I'll reschedule.

Heartfelt thanks for all the support we've received this year with our new staff and the many changes we've made as we adapt to a new building and school community. I am constantly amazed at your flexibility and commitment to our program. Please know that you are greatly appreciated and absolutely invaluable as we embark on one of the most exciting journeys of our careers.

HAPPY NEW YEAR!
